FLORISTS'

WHOLESALE
PRICE LIST OF

Plants, Bulbs, Seeds, Etc.

From Date to March 1st,

1897

THE STORRS & HARRISON CO.,

PAINESVILLE, LAKE CO., OHIO.

TERMS OF SALE.

Orders from unknown correspondents must be accompanied by cash or satisfactory reference.

Three will be furnished at dozen rates, and 5 at 100 rates, if order amounts to \$3.00 or more.

All goods delivered at Express office or Depot here. No charge for packing or packages.

Orders to be sent C. O. D. must be accompanied by cash to one-fourth of the value of goods ordered, to guarantee acceptance.

For wholesale rates of Fruit Trees, Vines, etc., and hardy Ornamentals of all classes see our Trade List No. 4.

On seeds in packets, a discount of 50 per cent. will be made from the prices in Catalogue No. 2.

On seeds in bulk, not quoted in this by the ounce, $\frac{1}{4}$ pound, pound, pint, quart and bushel, 25 per cent. Write for prices of Bulk Seed wanted in larger quantities than above.

Prices quoted are for plants from $2\frac{1}{2}$ in. pots, except noted.

CATALOGUES.

We issue the following catalogues (send for copy if you do not receive them) free to the trade:

No. 1. Descriptive Catalogue—Fruit and ornamental, Deciduous and Evergreen Trees and Shrubs, Small Fruits, Grape Vines, Roses, Hardy Plants, etc.

No. 2. Spring Retail Catalogue—Full line Flower and Vegetable Seeds, Greenhouse, Bedding and Hardy Plants, Roses, Shrubs, Vines, Trees, etc. Issued in January.

No. 3. Fall Retail Catalogue—Bulbs, Winter-Blooming and Hardy Plants, Shrubs, Trees, etc. Issued in August.

No. 4. Wholesale Trade List for Nurserymen, Dealers and Florists—Fruit and Ornamental Trees, Shrubs, Vines, etc. Issued semi-annually, January and August.

GENERAL COLLECTION OF PLANTS FOR FLORISTS.

ASPARAGUS PLUMOSUS NANUS.

ASPARAGUS.

Plumosus Nanus. $2\frac{1}{2}$ -in. pots, \$7.00 per 100. 3-inch pots, \$1.25 per doz.

Tenuissimus, per 100, \$5.00.

Sprengeri. A beautiful new variety of drooping habit; the fronds are frequently four feet long, making it an excellent plant for hanging baskets or vases. A desirable house plant, as it withstands dry atmosphere, and will succeed in almost any situation. Strong plants, \$10.00 per 100.

AGAPANTHUS UMBELLATUS.

A beautiful ornamental plant, bearing large clusters of bright blue flowers on long flower stalks, and lasting a long time in bloom. \$8.00 per 100.

AZALEA.

AZALEAS.

Fine shapely plants with bushy crowns, well set with buds, and of varieties the most desirable for florists' use.

	Per 100
10 to 12-inch crowns	\$35 00
12 to 13-inch crowns	50 00
13 to 15-inch crowns	65 00

ALAMANDA WILLIAMSII.

A dwarf or bush variety of this old favorite house plant. Most of the Allamandas are of climbing habit, but in this variety we have a handsome plant of dwarf, compact shape, with large trusses of flowers at the tip of every branch; each flower 3 to $3\frac{1}{2}$ inches across. Color, rich golden yellow; very fragrant. It continues to flower the whole summer. \$10.00 per 100.

AMPELOPSIS VEITCHII.

(Boston Ivy.)

A beautiful hardy climber, and one of the best climbing plants for covering stone or brick walls. Strong plants, 3 to 4 feet, \$8.00 per 100; 2 to 3 feet, \$6.00 per 100.

NO. 5 FLORISTS' WHOLESALE.

**ANEMONE WHIRLWIND.**

A semi-double form of *Anemone Japonica Alba* with pure white flowers $2\frac{1}{2}$ to 3 inches across, flowers of more substance, lasting much longer than the single varieties. Strong field grown plants \$6.00 per 100.

ANEMONE JAPONICA.

Alba. Pure white, yellow center.

Rubra. Deep rose, yellow center.

Strong field grown plants, \$6.00 per 100.

ACHILLEA—THE PEARL.

Pure white, double flowers; fine for cemetery planting. \$5.00 per 100.

ACALYPHA.

Miltoniana. A short-jointed, free, rapid growing variety, leaves 4 to 5 inches long, by $1\frac{1}{4}$ broad, color bright green, bordered with creamy white. \$1.00 per doz.

Tricolor. An excellent variety for foliage bedding; foliage beautifully marked olive and red. \$1.00 per doz.

ABUTILONS.

Souv. de Bonn. A very distinct and striking plant, with large bright green leaves, distinctly edged with a pure white band; a strong robust grower, forming fine specimens in a very short time; fine for large vases and porch boxes. \$5.00 per 100.

Eclipse. Of trailing habit; foliage marked deep green and yellow.

Golden Fleece. Bright golden yellow; very free.

Splendens. Deep red.

Thompsoni Plena. Double orange flowers; foliage variegated yellow and green.

Unless noted, \$4 per 100.

AMARYLLIS JOHNSONI.

Strong flowering bulbs \$20.00 per 100.

ARUNDO DONAX VARIEGATA.

A hardy, broad leaved ornamental grass, growing six to eight feet high. \$1.00 per doz.

ANTHEMIS TINCTORIA.

A hardy golden marguerite, producing single yellow flowers during the entire summer; very useful for cutting. \$4.00 per 100.

AQUILEGIA.

Cerulea. \$10.00 per 100.

Chrysantha. \$5.00 per 100.

ASCLEPIAS TUBEROSA.

A beautiful hardy native plant. Flowers, brilliant orange red, on stems 2 feet high, \$5.00 per 100.

**BEGONIAS—FLOWERING.
NEW AND SCARCE VARIETIES.****GOLIATH AND MASTODONTE.**

Two grand new French Begonias of the *semperflorens* type, of gigantic growth, and fine branching habit, making large, showy plants, 30 to 36 inches high, and 18 to 24 inches in diameter in a single season. The flowers are of immense size, in large, rather compact clusters. They make excellent bedding plants in summer, being covered with flowers from the ground up, and if lifted and brought into the house will continue to bloom all winter.

Goliath. Leaves, large, round, glossy green, slightly serrated. Flowers large, in large clusters, on stiff stems, carrying them well above the foliage. Color rosy white. \$3.00 per doz.

Mastodonte. Of the same strong habit of growth as *Goliath* and identical with it in every respect, except color, which is a delicate, tender rose. \$3.00 per doz.

BEGONIA PURITY.

Purity. The most prolific bloomer of all the white Begonias, being a mass of bloom both summer and winter. It is an excellent plant for pot culture, making a neat compact plant, that is nearly as broad as high, and completely covered with glistening, pearly white flowers. *Purity* is a seed-

ling of Schmidt's, crossed with Vernon, possessing the free-flowering qualities of both, and in habit of growth is far superior to either. As a bedding plant it has few equals; if given a light, rich soil, it is a mass of bloom the entire summer. \$15.00 per 100.

SEMPERFLORENS ELEGANTISSIMA ALBA.

A grand new Begonia that is decidedly distinct from any other white variety. The flowers are very large, pure glistening snow white, on stiff, erect stems. Plant a fine free grower, and when in bloom the foliage is nearly hidden under the profusion of snow-white flowers. \$1.50 per doz.

BEGONIAS—GENERAL COLLECTION.

Argentea Guttata. Purple bronze leaves, with silver markings, flowers white. \$4.00 per 100.

Cuprea. Beautiful dark, green, velvety foliage. A strong, healthy grower. Flower rosy white. \$4.00 per 100.

Duchatrei. Foliage lanceolate, sharply pointed, dark bronze green on upper surface; reddish purple on underside, flower large in good sized panicles, pure white. A charming variety for Winter blooming. \$6.00 per 100.

Erfordia. One of the most prolific bloomers, continually covered with clusters of its delicate rosy salmon flowers. An excellent variety for outdoor bedding, growing and blooming in our hot sun equal to the best bedding geraniums, being a mass of bloom the whole season, and if lifted and potted before frost will continue to flower all Winter. \$4.00 per 100.

Incarnata. Large, rose colored flowers, on long stems, a fine cut flower variety. A very free winter blooming variety. \$5.00 per 100.

Mme. Lionnet. Beautiful rosy bronze foliage, the brightest of all the dark leaved varieties. \$1.00 per doz.

Metalica. A good grower and free bloomer; under side of leaf and stem hairy; the surface of a lustrous metallic or bronze color, veined darker, flowers white. \$1.00 per doz.

Nivea. A grand winter blooming and summer bedding plant, being covered with flowers the year around. The flowers are a delicate pink when in bud, expanding through lighter shades to pure white when fully open. \$1.00 per doz.

M. de Lesseps. In the style of Argentea Guttata, but with much larger leaves, beautifully spotted with silver. \$5.00 per 100.

Olbia. A grand variety. Leaves from 7 to 10 inches in diameter, separated into deep, sharp points. The color is varying shades of brown and red, the young leaves being very bright. Flowers lemon white; one of the richest colored foliage varieties. \$7.00 per 100.

Otto Hacker. Plant a strong, vigorous grower, with large, shining, deep green leaves, 8 to 10 inches long, with three to four triangular lobes on upper edge. The flowers are borne in immense pendant clusters, 8 to 10 inches across, twelve to twenty-five large flowers in a cluster. Color, a beautiful, bright coral red. \$6.00 per 100.

Paul Bruant. A free-growing variety, and one that soon makes a fine specimen plant of bushy tree form. Leaf of heavy texture, and of deep olive green color. The flowers are produced very freely, on long, graceful stems. Color delicate rose changing to white. \$8.00 per 100.

President Carnot. A remarkable strong growing variety, of stiff, upright habit; foliage very large;

flowers beautiful coral red in large pendant panicles similar to Rubra, but very much larger. \$6.00 per 100.

Pictaviense. Underside of leaf purplish red; face bronzy green, dotted silver; flowers in large clusters, well above the foliage; an elegant variety. \$8.00 per 100.

Rubra. A favorite with everyone; flowers rich coral red, in large pendant panicles. One of the best. \$4.00 per 100.

Semperflorens Elegans Rosea. An excellent plant for pot culture, but its greatest value is as a bedder, where it is a strong rival with our brightest colored geraniums, with its mass of bright, rosy carmine flowers. \$6.00 per 100.

Thurstoni. A variety with beautiful, glossy foliage; makes a grand bedding variety in partial shade. \$4.00 per 100.

	Per 100

Finest Double Named Colors, white, pink, scarlet, crimson and yellow.....	9 00
Double Mixed Colors	8 00

CHRYSANTHEMUMS.

Introduction of 1897. Ready March 1st. The descriptions are those given by the introducers.

Golden Trophy. A grand early yellow to follow Marion Henderson; a dwarf grower, requires no tying; foliage very beautiful, and quite up to the flower; very large for October, compact, crowded with petals, incurving into a complete golden ball; has been characterized as an "Early Bonnaffon." Keeps and travels wonderfully well. This will be found very profitable for florists, as it bears close planting and requires no tying. Received N. C. S. certificate under name of "Golden Dawn," which proved to be a duplicate. Fifty cents each; \$5.00 per dozen; \$35.00 per 100.

Thanksgiving. (Rawson). Certificated at both New York and Philadelphia, November, '96. Height, $3\frac{1}{2}$ to 4 feet; of sturdy habit and nice foliage; flowers large; color, fresh, delicate, even shade of pink; mid-season and later; keeps very well. Grown cool is in season at Thanksgiving; very distinct, and a fine exhibition variety as well. Fifty cents each; \$5.00 per dozen; \$35.00 per 100.

MRS. PERRIN.

Adelaide. (Rieman.) Certificated at Cincinnati, November, 1896. First prize white seedling at Indianapolis. A very fine white variety; extra good stem and foliage; fine, compact flower, especially recommended for commercial purposes. The raiser also recommends it as a bush plant. Will rank among whites as H. W. Rieman does among yellows. Fifty cents each; \$5.00 per dozen; \$35.00 per 100.

Western King. (Smith and Son). This, we believe, is the best white yet introduced for commercial or exhibition blooms, or for plants either bush or single stem. An incurved flower with outer petals slightly reflexing, pure white. Maturing November 1st. Height $3\frac{1}{2}$ to 4 ft. good from either bud. Stem and foliage excellent. No variety has been as highly commended; in 1895 was recommended for certificate by all five committees of the C. S. A. Last fall it received cash prize at Syracuse as best seedling, and at Philadelphia as best white seedling. 50c. each; \$5.00 per doz.; \$35.00 per 100.

CHOICE VARIETIES OF LAST YEAR'S INTRODUCTION AND OTHERS OF SPECIAL MERIT.

Modesto. Exceptionally meritorious. The finest yellow yet produced, either for exhibition or the trade. Intense in color, unsurpassed in size, of an incurved, slightly whorled form; with very high, full center. Maturing November 15th. \$1.50 per doz.

Mrs. Perrin. A wonderfully clear bright pink, quite free from magenta, the brightest shade of pink yet produced in the chrysanthemum. The flower is of globular, incurved form and of fine satin finish. Awarded first premium wherever exhibited as best of its color. \$8.00 per 100.

Mrs. Wm. C. Egan. A fine large flower of the Ada Spaulding type, but much larger. Color crimson pink at the base, shading at the apex to light sulphur, suffused with buff on outside of petals. A strong, healthy grower, with fine foliage. \$10.00 per 100.

Buff Globe. Enormous globe shaped flower; pale chrome yellow shading to buff. \$8.00 per 100.

Glory of the Pacific. An extra early pink, being in good shape for cutting by October 8th. It is of fine size and depth, with broad petals which reflex showing the clear pink color to excellent advantage. \$8.00 per 100.

Mrs. Henry Robinson. A large, early white variety, of exceptional merit with immense, incurved, broad channeled petals of great substance, and of the purest white. From a flat incurved form it gradually changes into a perfect ball of snow 16 to 18 inches in circumference. A fine healthy grower, and one that is easily managed. \$8.00 per 100.

Wm. Simpson. One of the earliest of the large flowered varieties. Color a pleasing shade of delicate pink, a little lighter than "Maud Dean." A good, strong, healthy grower, stiff stem from four to five feet high, with clean foliage. \$10.00 per 100.

Daydawn. A grand, large early white variety, center creamy yellow when opening, gradually changing to pure white in the fully open flower. While the flower is large and fully double, it is of informal and graceful arrangement, on good stiff stems with fine heavy foliage. \$6.00 per 100.

Indiana. Immense, full, globular flower, nicely incurved. Color clear bright pink, outside petals a little lighter. Has been grown measuring 22 inches in circumference. A grand show variety. \$6.00 per 100.

Pink, Ivory. (Miss A. L. Dalskov). A sport from Ivory, the most popular of all white chrysanthemums; it is identical with Ivory in every respect except color, which is a beautiful shell pink. \$10.00 per 100.

LARGE FLOWERING DWARF CANNAS.

A select list of new and scarce varieties:

Souvenir Antione Crozy. A magnificent, new gilt-edged variety. The flowers are very large, with well rounded petals, which are of the most intense scarlet crimson, bordered with a broad band of rich golden yellow; trusses very large and erect, carrying an immense number of large flowers. Nearly every flower stalk branches, producing two perfect spikes. Very free bloomer. \$12.00 per 100.

Sunbeams. Plant remarkably dwarf and compact, averaging about 2½ feet in height, flowers very large, color bright golden yellow, very faintly marked orange. \$8.00 per 100.

Mad. Alphonse Bouvier. Color light, bright scarlet, laced on the edge with gold, and also marked

in the throat of the flower; very large and finely spread. One of the finest of the gilt-edged varieties. \$10.00 per 100.

Octave Mirbeau. Flower large, with broad petals. Color deep sea let, marbled with orange and crimson. A strong, free grower. \$8.00 per 100.

Papa Canna. A grand addition to our list of red flowering Cannas, and one that M. Crozy claims is his finest variety to date. Very free flowering, producing a mass of bloom in immense sized spikes. Color pure red; a sturdy dwarf grower, 3 to 3½ feet high. \$2.25 per doz.

Admiral Avellan. One of the best of the dark leaved varieties, and a decided advancement in this section. The flowers are of good size, with heavy, strong petals which open out evenly, forming a clean pretty flower. Color rich orange scarlet, overlaid with salmon, giving the whole flower a rich luminous appearance. \$8.00 per 100.

Alsace. In this variety we have the nearest approach to a pure white Canna. A wonderfully free bloomer and a fine, erect grower, making nice shapely plants, about four feet high. The flowers at first opening are a light sulphur yellow, changing to creamy white. \$2.00 per doz.

COLLECTION OF 12 CHOICE STANDARD VARIETIES.

Florence Vaughan. Flowers very large, of most perfect form, with broad overlapping petals, nicely rounded at the ends. Color brilliant yellow, spotted with bright red. A strong, robust grower, and flowers very freely. \$8.00 per 100.

Alphonse Bouvier. A very luxuriant grower, in good ground, with good cultivation, growing six to seven feet high. It begins to bloom very early, and is one continuous mass of crimson the entire season. \$4.00 per 100.

Charles Henderson. A splendid compact, dwarf grower, throwing up erect, compact heads of bloom of large size; the individual flowers are among the very largest. Color, bright crimson; this is one of the very handsomest varieties, and where a mass of bright crimson is wanted we know of nothing better. \$3.00 per 100.

Eldorado. The nearest approach to a pure golden yellow to date, being but very finely speckled with light red, which is noticeable only upon close examination. Spikes of bloom very compact. Petals broad, forming fine open flowers that do not fade, but drop from the spikes as soon as they pass perfection, leaving it always clean and bright. \$10.00 per 100.

Columbia. Color a beautiful rich cardinal red. A splendid bedder, vigorous and free in growth, profuse and continuous in bloom. Habit extra good, short-jointed and compact. \$12.00 per 100.

Madam Crozy. Flowers of a dazzling crimson scarlet, bordered with golden yellow; a marvelous and rich combination of colors. The plant is of vigorous growth, yet very dwarf in habit, rarely exceeding four feet in height; one of the best for all purposes. \$3.00 per 100.

Queen Charlotte. A splendid gilt-edged variety, and by many considered the finest of the class. The flowers, which are very large, with broad, rounded petals slightly recurved, are borne in immense heads, well above the foliage, and are most striking in color; a bright orange scarlet, deeply edged with bright canary yellow. \$8.00 per 100.

L. E. Bally. Flowers very large, with broad, heavy petals; color light canary yellow, spotted with orange. \$5.00 per 100.

Edward Mieg. A grand acquisition, and one of the best of the high colored varieties, bearing very large flowers in immense trusses of rich vermilion scarlet: a strong robust grower with dark green foliage. \$8.00 per 100.

SINGLE FLOWER OF CANNA AUSTRIA.

Sophie Buchner. Flowers very large, in close compact trusses on stiff erect stems. Color deep crimson with vermilion shadings. Plant a sturdy compact grower, with broad, deep bronzy green foliage. \$4.00 per 100.

J. D. Cabos. Dark greenish maroon foliage, with a bronzy, metallic luster; flowers bright orange or apricot, sometimes brightened with a pinkish tinge. \$6.00 per 100.

President Carnot. Orange scarlet, slightly shaded pink. Good sized trusses of large flowers, foliage deep chocolate maroon, one of the best of the dark leaved sorts, distinct and fine. \$6.00 per 100.

NEW GIANT ORCHID FLOWERED CANNAS.

This magnificent new race of Cannas is the sensation of the year in floral novelties. In size and brilliancy of flowers and majestic Musa-like foliage, they are entirely distinct and far in advance of any of the large flowered Cannas to date; of remarkably strong growth, they soon make fine specimen plants, with twenty to twenty-five strong stems bearing immense heavy leaves, each stem crowned with tall spikes of large, orchid-like flowers, many of which when fully expanded measure six to seven inches across.

Austria. Flower of immense size, many of them fully six inches across, the petals are very broad with

slightly reflexed edges resembling very closely some of the Orchid family. The plant is remarkable for its sturdy rank growth, forming massive clumps six to seven feet high, covered from the ground up with large deep green Musa-like foliage. Plants set out early in the season will before mid-summer form clumps with from 20 to 30 strong stems, each stem surmounted by tall spikes of golden yellow flowers standing upright like immense lilies. \$4.00 per dozen; \$30.00 per 100.

Italia. Another giant flowering variety from the same source as Austria, and by some would be considered the more showy of the two. The plant is of the same strong habit of growth with large deep green foliage. The flowers, while not quite as large, are even more gorgeous on account of their glowing colors. The three upper petals are golden yellow with a large blotch of orange scarlet in center of each, the center and lower petals scarlet, with a narrow edge of golden yellow. \$7.00 per doz.

LARGE FLOWERED CANNAS.

GENERAL COLLECTION.

Antoine Chantin. Geoffery St. Hillaire.
Comte H. de Choiseul. Paul Marquant, \$4 per 100.
Col. Dodds, \$4 per 100. Progression.
Camille de Bernardin. Paul Sigrist.
Duchess de Mortemart. Souv. de Asa Gray.
Francois Crozy. Victor Hugo.
Felix Crouse.

Unless noted, \$3.00 per 100.

NEW CARNATIONS FOR 1896.

The descriptions are those given by the originator.
Ready March 1, 1897.

Flora Hill. (Hill and Co). Received N. Carnation S. certificate, February, 1896. The grandest white variety to date, and destined to be found in every green-house, because of its easy management. The flower is of enormous size, and rounded build; wonderfully free in bloom, stems not as stiff as those of Jubilee or Armazindy, but strong enough to support the blooms nicely, and keeps on stiffening as the season advances; good calyx; not subject to rust. Without exaggeration we can claim this as the most prolific bloomer in the carnation family. Selected cuttings, well rooted. \$12.00 per 100.

Mrs. McBurney. (Hill and Co). Also awarded N. C. S. certificate, February, 1896. Another enormous flowered variety, of clear salmon; bloom Camellia-shaped; petals thick and wax-like; color, clear salmon; very strong calyx, stem perfectly erect; height, 2 to 2½ feet. We have never seen a spot of rust on it. Free in bloom, and one of the most distinct; a queen among pink Carnations. Selected cuttings, well rooted. \$12.00 per 100.

Mrs. Chas. H. Duhme (Dorner). Color lively delicate pink, large flower, fragrant, with good calyx on strong, stiff stem. Plant vigorous, erect grower, a very early, free and constant bloomer, much more so than any of the light pink varieties, rivaling in productiveness with Scott. This promises to be the best of the light pink commercial varieties. Certificate at Indianapolis and Philadelphia. \$10.00 per 100.

Mrs. Geo. M. Bradt. (Dorner). Color, clear white, heavily edged and striped with bright scarlet, giving it a very bright and cheerful appearance. Flowers large and full, with center petals standing erect, giving the bloom a well rounded form. Calyx resembling Mme. Albertini. Habit strong and vigorous. This variety is now in its fourth year, and has proven the most even and constant bloomer from early to late. Received gold medal at Atlanta, certificate at same place and at Chicago. \$10.00 per 100.

CYPERUS ALTERNIFOLIUS.

(Umbrella Plant.)

\$5.00 per 100.

CARYOPTERIS MASTOCANTHUS.

(Blue Spirea.)

A handsome, half-hardy, perennial plant from China. It is of a vigorous growth, producing flowers in great profusion the whole length of its branches; even young plants in small pots flowering freely. The color is a rich lavender or sky blue. A valuable plant either for bedding or pot culture, blooming continuously from mid-summer until cut by frost in the Fall. Strong plants from open ground, \$6.00 per 100.

CALADIUM ESCULENTUM.

CALADIUM ESCULENTUM.

Fine sound bulbs, with good centers:

	Per 100
1st size, 7½ to 10 in. circumference	\$5 00
2d size, 6 to 7½ in. circumference	3 00
3d size, 5 to 6 in. circumference	2 00

COLEUS.

12 best market varieties, \$3.00 per 100.

SET OF 12 NEWER VARIETIES.

Selected from a long list of last year's introduction.

The set of 12 for 75c.

CLEMATIS—LARGE FLOWERED.

Duchess of Edinburgh, double white.
Gipsy Queen, rich dark velvety purple.
Fairy Queen, pale flesh.
Henryi, creamy white, very large.
Jackmanii, dark velvety purple.
Jackmanii Alba, white.
Lady C. Neville, delicate blush white.
Mad Baron Veillard, light rose with lilac shadings.
Ramona, lavender.
Kermesina, bright wine-red.
Strong 2 year old plants, \$25.00 per 100. Extra
strong 3 year, \$32.00 per 100.

CLEMATIS PANICULATA.

A strong vigorous grower, remarkably free flowering; pure white; very fragrant. Strong 2 year plants, field grown, \$8.00 per 100.

CLEMATIS COCCINEA.

Strong, selected, 1 year plants. \$8.00 per 100.

CROTONS.

Eight varieties in good assortment.
2 in. pots \$4.00 per 100. 3 in. pots, \$6.00 per 100.

DORONICUM PLANTAGINEUM

One of the earliest Spring flowering hardy herbaceous plants. Flowers bright golden yellow, two to three inches across, borne in the greatest profusion. \$6.00 per 100.

DRACENA INDIVISA.

	Per doz.
Strong 6 inch pot plants	\$5 00
Strong 5 inch pot plants	3 50
Strong 4 inch pot plants	2 50

DICTAMNUS FRAXINELLA.

(Gas Plant.)

A showy hardy border plant, forming a bush about two and one-half feet in height, having fragrant foliage and curious-shaped red and white flowers. \$5.00 per 100.

DAHLIAS.

Choice assortment; whole roots, \$10.00 per 100.

EPIPHYLLUM MAKOYANUM.

EPIPHYLLUM MAKOYANNA.

A beautiful variety of the Crab or Lobster Claw Cactus, with bright scarlet flowers of large size, and usually bright and showy. Strong grafted plants with straight stems 12 to 15 inches high, making fine drooping specimens. 35c. each, \$3.50 per doz.

EULALIAS.

Zebrina. Strong clumps. \$6.00 per 100.

Variegata. Strong clumps. \$6.00 per 100.

Gracilis Univitata. Strong clumps. \$6.00 per 100.

FUCHSIAS.

In good assortment, double and single, \$3.00 per 100.

FICUS ELASTICA.

4 and 5-inch pots, 12 to 15 inches high. \$4.00 per doz.

4-inch pots, 8 to 10 inches high. \$25.00 per 100.

GAILLARDIA GRANDIFLORA.

One of the finest of hardy perennials. Flowers large, very numerous, produced on long stems; excellent for cutting, and of the most gorgeous coloring. It delights in a rather light, poor soil, and is in constant bloom from June to November. \$5.00 per 100.

GENISTA RACEMOSA.

A beautiful yellow flowering shrub, flowering so freely as to literally cover the plant with its rich golden yellow flowers when well grown. A very popular plant for Easter decorations, at which time it is usually a mass of bloom. 3-inch pot plants, \$1.00 per doz.; 4-inch pots, \$1.50 per doz.; 5-inch pots, \$2.00 per doz.

GLOXINIA.

Fine large tubers of an extra choice strain, \$4.00 per 100.

GERANIUMS.

NOVELTIES AND VARIETIES WORTHY OF SPECIAL NOTE.

DOUBLE VARIETIES.

Frances Perkins. This we consider the finest bright pink bedding geranium to date for our climate. It is a decided improvement on that popular variety Emile de Girardin, being a much brighter, clearer color. The plant is a strong, vigorous grower, and a prolific bloomer, flowers are perfect in form, and are borne well above the foliage on long foot stalks, color a clear bright pink. It stands the sun admirably, and for massing there is nothing that equals it in color. \$10.00 per 100.

FRANCES PERKINS.

Countesse de Castries. Bright soft rose, base of petals marked white. Flowers in enormous trusses on long, stout foot stalks, individual flowers of very large size, with elegant undulated petals. Plant a robust grower. \$1.50 per doz.

Marquis de Galard. Trusses of immense size; color rosy-cerise shading to orange, a very striking color, and quite new. Plant of close, compact habit, almost a perpetual bloomer. A grand bedder \$1.50 per doz.

Mad. Bacot. Dwarf, free grower and abundant bloomer. Color a remarkable shade of orange approaching yellow; very fine. \$1.50 per doz.

E. Danglade. Plant robust and very free flowering, large, spherical trusses, carried well above the foliage; flowers large, color rosy scarlet, upper petals shaded orange at the base. \$1.50 per doz.

SINGLE VARIETIES.

Mad. Bruant. No other geranium on our grounds has ever attracted so much attention or been so much admired as this beautiful new Aureole flowered variety. It is entirely distinct from any Geranium. The plant is a vigorous grower, making nice, compact plants, and very free flowering, producing fine, large trusses of blooms in great profusion, individual flowers large, of fine shape, center of flower white veined with carmine lake, the five petals regularly and distinctly bordered with bright solerino. The arrangement of color is exquisite, and entirely new in Geraniums. An excellent variety for pot culture, being a continuous bloomer winter and summer. \$12.00 per 100.

L'Aube. A grand new white bedding variety, with enormous trusses of large round flowers of good substance that do not burn in our hottest suns; color pure snow white. In habit of growth and freedom of bloom it is not surpassed by any of our best bedders of any color. \$2.00 per doz.

Van Beneden. Fine large flowers, lower petals rich violet, bordered with scarlet, upper petals orange scarlet, very bright and distinct. \$1.50 per doz.

Granville. The finest of all the single pinks for bedding purposes. Plant is of good, strong habit, and a prolific bloomer, throwing the flowers well above the foliage; forms a mass of soft clear pink. \$1.00 per doz.

BRUANT TYPE.

H. Dauthenay. Plant of low, free branching habit and wonderfully free in bloom. Trusses of immense size, composed of very large, fine round flowers, color coppery orange red, with white eye, with peculiar shadings around the eye; a magnificent color. The foliage is beautifully zoned; single flowered. \$2.00 per doz.

J. D. Cabos. Soft rosy pink, a new color in this class. Plant of dwarf growth, very free flowering, truss and flowers of largest size. A grand bedding pink. \$2.00 per doz.

MAD. BRUANT.

Alphonse Ricard. The plant is a strong vigorous grower, branching and compact in habit; producing flowers in great masses; color a brilliant shade of orange red. Both floret and truss are of enormous size, semi-double. An excellent bedding sort. \$1.50 per doz.

President Victor Dubois. Immense trusses of extra-large semi-double flowers on long stout foot stalks. Color a bright magenta rose. Very distinct. \$1.50 per doz.

Baron de Scalibert. A neat dwarf, compact grower. Exceptionally free in bloom, so much so that the large trusses of bloom almost hide the foliage. Florets large, of a bright soft pink color with white center; petals slightly veined red. \$1.00 per doz.

 per 100.

Hortensia and Ramis Pictis. Strong plants from
 open ground, suitable for 5 and 6 inch pots, \$12.00
 per 100.

HEMEROCALLIS.

Dumortieri. A variety growing very dwarf and com-
 pact, and producing an endless number of large,
 lily-like blossoms of a bright orange color. \$6.00
 per 100.

Kwamso fl. pl. Large, double, copper-colored flowers;
 in bloom all Summer. An excellent plant for the
 hardy border. \$8.00 per 100.

HOLLYHOCKS.

Strong roots in separate colors, white, pink, yellow
 and red. \$4.00 per 100.

HELIANTHUS.

Soleil d'Or. A valuable new variety with fine shaped
 flowers, three inches and over in diameter, that re-
 semble a Cactus Dahlia in shape and finish; the
 plant is compact in growth, and is literally covered
 with rich golden yellow flowers. \$6.00 per 100.

Laetiflorus. One of the most beautiful plants for the
 garden; the flowers are about four inches in di-
 ameter, of the richest golden yellow color. \$3.00
 per 100.

Multiflorus Plenus. The flowers are from three to
 four inches in diameter, as double as any Double
 Dahlia, and cover the plant from the ground to the
 top. Color a bright golden yellow. \$3.00 per
 100.

HARDY HIBISCUS.

PELARGONIUMS.

Dorothy. This is one of the ruffled or fringed varieties, and finest of this class. Flowers large; rosy salmon, dark maroon blotched on upper petal, richly shaded plum color around the throat; petals prettily fringed giving a light and elegant appearance to the flower. \$3.00 per doz.

Mrs. Robert Sandford. A grand pure white sort; the flowers are very large, with finely ruffled edges, giving the whole flower the appearance of being double; a free bloomer. A excellent variety for cut-flower use. \$1.50 per doz.

Mad. Gustave Henry. A most distinct and handsome new variety with large rosy carmine flowers with white center and deep purple blotch, neat compact habit. \$2.00 per doz.

Mad. Vibert. A splendid flower with black maroon blotches bordered fiery red, the entire flower edged with rose. A vigorous grower of fine habit and a free bloomer. \$1.50 per doz.

NEW DOUBLE RUDBEKIA.

(Golden Glow.)

One of the most distinct and beautiful large growing hardy perennials that has been introduced in years, and one that should find a place in every garden. The plant is a strong grower, of fine branching habit, bearing by the hundred, on long graceful stems, beautiful double blossoms of the brightest golden yellow, and as large as a Cactus Dahlia. Excellent for cut flowers, lasting well when cut. \$5.00 per 100.

PAEONIAS, HERBACEOUS.

We offer an excellent assortment of these beautiful hardy plants, in twelve choice varieties, named, \$10.00 per 100.

PAEONIA OFFICIALIS RUBRA PLENA.

The earliest flowering of all the double Paeonias; flowers very double; deep rich crimson color; useful for cut flowers. \$8.00 per 100.

ROSES.

NEW AND SCARCE VARIETIES.

Mlle. Helena Cambier.

Hybrid Tea.

This is a decided advance towards a true yellow Hybrid Tea. The color at first is a salmon rose, varying to yellow at base of petals, changing to rosy flesh with deeper center in the open flowers.

grower with erect stems. The plant is a robust, bushy and beautiful bronzy green foliage, a prolific bloomer. Flowers large, very double, with full high centers. \$20.00 per 100.

SOUV. PRESIDENT CARNOT.—(Hybrid Tea.)

A charming new French rose; one of the most promising new roses we have had the pleasure of offering in years, and we predict for it a grand future with the cut-flower growers. A strong, clean healthy grower, with handsome, bronzy green foliage and large, elegantly shaped buds. The flower is of large size, of exquisite shape with heavy, thick, shell-like petals; buds long and pointed, similar to Niphetos, but very much larger, and all borne on long, stiff, erect stems. Color delicate rosy flesh shaded a trifle deeper at the center. A very profuse bloomer. \$15.00 per 100.

FIAMMETTA LABONNAND—(Tea.)

White Papa Gontier. It is conceded by all that Gontier is one of the finest and the most profuse bloomer of all the red Tea Roses; this new variety is

YELLOW RAMBLER (AGLIAIA.)

identical with it in every way except color; it has the same habit of growth, freedom of bloom and size and shape of flowers, which in this are a beautiful satin white delicately tinted with light rose. A fine, large sized flower, with elegant shell-like petals; very handsome buds. \$10.00 per 100.

YELLOW RAMBLER.—(Agliaia.)

A new hardy yellow climbing rose, blooming after the same manner as Crimson Rambler in large clusters; flowers of medium size in immense clusters, often 35 to 40 flowers in a single cluster; very sweet scented. Color a clear decided yellow, a color heretofore unknown in a climbing rose that was in any way hardy. Yellow Rambler has successfully withstood, unprotected, a continued temperature of from zero to two degrees below, proving it to be the hardiest of all yellow climbing roses. It is a rampant grower, well established plant, often making a growth of ten to twelve feet in a single season. The flowers are very lasting, keeping in perfect condition three to four weeks without fading. \$3.50 per doz.

ROSA MULTIFLORA JAPONICA.

A perfectly hardy, free-flowering climbing rose from Japan. A remarkably strong grower, with clean, healthy foliage. It is an excellent variety for covering arbors or porches, as it is a very rapid grower, and soon makes a large plant with dense foliage. Its pure white flowers are produced in great profusion, in large clusters that almost hide the foliage. Strong $2\frac{1}{2} \times 3$ -inch pot plants, \$12.00 per 100.

CLIMBING METEOR.

This variety originated in a sport from the well known forcing Rose Meteor, with which it is identical in every way except habit of growth. Climbing Meteor is a strong free growing climbing Rose that under favorable conditions will make shoots 12 to 15 feet in a single season, very free flowering, producing all through the growing season its rich dark velvety crimson flowers, perfectly double, and in size and finish equal to the best Hybrid Perpetuals. \$10.00 per 100.

CLIO, H. P.

This is a grand addition to our list of white or blush, hardy garden roses. The flower is simply perfection in form, with fine broad petals, with high, full center, and is magnificent in all its stages of growth. Color, delicate satin blush, with a light shading of rosy pink at the center. Plant a strong, vigorous grower, with large, handsome foliage. \$10.00 per 100.
